One Hundred Ninth Legislature - Second Session - 2026

Introducer's Statement of Intent

LB1042

Chairperson: Senator Mike Jacobson

Committee: Banking, Commerce and Insurance

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Current law prohibits the stacking or combining of uninsured and underinsured motor vehicle insurance coverages held by different policyholders to determine the limit of insurance coverage available.

LB1042 would allow the stacking of policies held by different policyholders to determine the total amount of insurance coverage available, while continuing to prohibit stacking under the same policy or under separate policies held by the same person or by related persons residing in the same household.
