

# **One Hundred Ninth Legislature - Second Session - 2026**

## **Introducer's Statement of Intent**

### **LB1064**

---

**Chairperson: Senator Tom Brandt**

**Committee: Natural Resources**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1064 Requires public power suppliers to establish standards for interconnecting large load customers in a manner designed to support business development in this state while maintaining system reliability, reducing the potential for stranded infrastructure costs, and minimizing rate impacts to Nebraskans.
