## **Introducer's Statement of Intent**

### **LB1065**

---

**Chairperson: Senator Ben Hansen**

**Committee: Executive Board**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1065 would change the timing and procedures for compiling, certifying, and distributing an updated copy of the Constitution of Nebraska.

LB1065 would provide that, except in certain cases where no changes are needed, the Revisor of Statutes shall compile an updated copy of the Constitution of Nebraska following each regular session of the Legislature, including specified notes for each section. The bill would outline a process for review and certification by the Secretary of State and distribution by the Clerk of the Legislature, including electronic availability on the Legislature's website, inclusion in session laws, and printed pamphlets for public request. The certified copies would constitute the official version and may be cited as *prima facie* evidence of the law.
