

One Hundred Ninth Legislature - Second Session - 2026

Introducer's Statement of Intent

LB1093

Chairperson: Senator Mike Moser

Committee: Transportation and Telecommunications

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The intent of LB1093 adds an exemption to the definition of "Excavation" in the One-Call Act so that telecommunications service, community antenna television service, or broadband service provider can install underground lines at a depth of no more than 18-inches to connect a customer to the service provider's own network without calling in locates.
