

One Hundred Ninth Legislature - First Session - 2025

Introducer's Statement of Intent

LB32

Chairperson: Senator Rita Sanders

Committee: Government, Military and Veterans Affairs

Date of Hearing: February 6, 2025

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 32 would allow for the use of a post office box address instead of a street address on the NADC-required disclaimer on printed materials pertaining to a candidate or ballot question. Under the bill, a street address would still be on file with the NADC and required on any reports and filings, but a PO box could be used on any disclaimers distributed to the public, like candidate palm cards and mailers.
