

One Hundred Ninth Legislature - First Session - 2025

Introducer's Statement of Intent

LB485

Chairperson: Senator Mike Moser

Committee: Transportation and Telecommunications

Date of Hearing: March 10, 2025

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Railroad crew members have seen increased scrutiny from insurance providers as a result of trespasser strikes. LB485 would prevent these incidents by keeping the private information of crews involved in these events confidential. Personal identifying information of crews is redacted from public reports and kept confidential by law enforcement and designated parties. Access to unredacted information is allowed for the employing railroad, law enforcement, prosecutors, commission staff, and authorized individuals via court orders.
