

**One Hundred Ninth Legislature - First Session - 2025**

**Introducer's Statement of Intent**

**LB669**

---

**Chairperson: Senator Carolyn Bosn**

**Committee: Judiciary**

**Date of Hearing: March 06, 2025**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB669 updates our state's informed consent statutory framework for abortion by removing the sections of Neb. Rev. Stat. § 28-326 through -327.12 that have been deemed unconstitutional and adds new language to ensure proper screening, evaluation, and assistance for instances of coercion, domestic violence, and human trafficking.

These changes will restore enforceability of Nebraska's informed consent framework and strengthen protections for women.
