

# **One Hundred Ninth Legislature - Second Session - 2026**

## **Introducer's Statement of Intent**

### **LB747**

---

**Chairperson: Senator Kathleen Kauth**

**Committee: Business and Labor**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB747 modernizes, strengthens and creates regulatory efficiency in Nebraska's labor and employment laws by establishing uniform enforcement authority across multiple programs managed by the Nebraska Department of Labor. LB747 does this by updating youth employment certificate procedures, enhancing wage payment and employee classification enforcement, and improving contractor registration requirements. It streamlines outdated processes, clarifies employer responsibilities, and removes duplicative filing requirements, particularly in the administration of employment certificates for minors.
