

# **One Hundred Ninth Legislature - Second Session - 2026**

## **Introducer's Statement of Intent**

**LB749**

---

**Chairperson: Senator R. Brad von Gillern**

**Committee: Revenue**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB749 eliminates the need for the Auditor of Public Accounts to provide the Department of Revenue with a list of the bond and nonbond tax request amounts from the most recent budgets filed by incorporated municipalities. The Department of Revenue already receives this information as part of the certification of the Certificate of Taxes Levied (CTL).

LB749 will eliminate the need for a duplication of efforts from the Auditor of Public Accounts office.
