

One Hundred Ninth Legislature - Second Session - 2026

Introducer's Statement of Intent

LB763

Chairperson: Senator Carolyn Bosn

Committee: Judiciary

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 763 seeks to amend quorum requirements for the Nebraska Board of Parole.

Currently, open meetings requirements impart quorum restrictions, preventing the Board of Parole from holding team meetings, strategic planning, or regular check-ins. While these rules aim to avoid any perception of undue influence among members, they also limit the ability to communicate effectively, share process information, and advance strategic improvements.

The changes sought with LB 763 would better align Board practices with operational realities, reduce unnecessary strain on incarcerated individuals and staff, and allow the Board of Parole to carry out its work more effectively.
