DORN: Mr. Clerk, for a motion.

CLERK: Mr. President, Senator Arch would move to suspend Rule 3, Section 14, to allow standing committees which meet on January 27 to schedule public hearings within 6 calendar days' notice.

DORN: Speaker Arch, you're recognized to open on your motion.

ARCH: Thank you, Mr. President. This is a routine motion here, and it is simply because it's Tuesday. And so, we have 6 days. And so, we have some Monday committees that have already scheduled their, their January 27 hearing but 3 committees have not: Education, General Affairs, Transportation. And so this gives them the opportunity, rather than 7 days to do it in 6 days. They can, they can schedule their hearing today, and, and then that would be acceptable. So January 27 will be the first public hearing date for Monday and Tuesday committees. And I in-- I informed these committees I would be filing this suspension motion to allow them the extra day, given yesterday was a holiday and scheduling exactly 7 days was not an option. So the motion will require 30 votes to suspend, and I ask you yes vote on this motion. Thank you, Mr. President.

DORN: Seeing no one in the queue, Speaker Arch, you're recognized to close. Speaker Arch waives. The motion before the body is shall the rule be suspended? All those in favor vote aye; all those opposed vote nay. Record, Mr. Clerk.

CLERK: Mr. President, Senator Arch would move to suspend the rules to allow for notice of committee hearings within a 6-day rather than a 7-day limit.

DORN: Senator Arch, you're welcome to open on your motion.

ARCH: Thank you, Mr. President. Colleagues, my apologies. There was some miscommunication that occurred where I thought that the committee had already identified what hearings they wanted to schedule. That was not the case. We had one committee that did. The others had not. And so, we need to suspend the rules once again. And then we do have now those committee hearing schedules, so those can be read across and, and we can get this done. And I, I appreciate-- I see senators filing back into the Chamber. We do need 30 votes to suspend the rules to get these committee hearings scheduled, and so I would ask for a yes vote on this. And I will watch to make sure that we have enough senators in the room. I don't want to call the house unless absolutely necessary, but if, if, if there's enough in the, in the room we can get to 30, then we can proceed from there. Thank you, Mr. President.

DORN: Senator Arch to close. Colleagues, you heard the motion. All those in favor vote aye; all those opposed vote nay. Mr. Clerk, record.
