two moves in committee action. We are taking away a pre-
cedent of the thirties and I want to offer with this motion
to indefinitely postpone a chance to dispose of the bill
quickly here on the floor, take it out of our discussions,
and if we proceed to vote it up, try to vote it forward
and fail without taking an opportunity to kill the bill
and dispose of it permanently on the floor. I would urge
the membership to vote to indefinitely postpone the bill,
a bill some people in here think is necessary, I think
unnecessary and many others think unnecessary, and put it
to the vote of the membership to permanently dispose of
the bill for this year. Thank you.

PRESIDENT: The Chair recognizes Senator Dworak. Senator
Dworak, did you wish to speak to the motion? He waives.
All right, there is no further discussion. The question
is...Senator Burrows, do you wish to close then on your
motion? No one has addressed it. Motion then is to inde-
finitely postpone LB 34, 84, yes, I correct myself, LB 84.
All those in favor then of indefinitely postponing LB 84
vote aye, opposed nay. This requires just a majority of
those voting. Have you all voted? Record the vote. No
way, Senator Burrows.

CLERK: 13 ayes, 24 nays on the motion to indefinitely
postpone, Mr. President.

PRESIDENT: Motion fails. The question now is the advance-
ment of the bill. The Chair recognizes Senator Carsten.

SENATOR CARSTEN: Mr. President, I move that LB 84 be advanced
to E & R Initial as amended.

PRESIDENT: Any discussion? Motion then to advance LB 84 to
E & R Initial. All those in favor vote aye, opposed nay.
Record the vote.

CLERK: 25 ayes, 10 nays, Mr. President, on the motion to
advance.

PRESIDENT: Motion carries. LB 84 is advanced to E & R
Initial.

CLERK: Mr. President, your committee on Appropriations whose
Chairman is Senator Warner to whom was referred LB 194 in-
structs me to report the same back to the Legislature with
the recommendation it be advanced to General File; LB 322
