Mr. President, I have an Attorney General's opinion addressed to Senator Frank Lewis which will be inserted in the Legislative Journal in full. (See pages 558-560 of the Journal.)

Mr. President, finally I acknowledge receipt of an annual report as supplied by the Agricultural Products Industrial Utilization Committee.

SPEAKER MARVEL: Do you have any other reports or announcements? Senator Newell is not ready to take up Request 844 so we will pass over it. Senator Marsh, do you have a Committee on Committee's report?

SENATOR MARSH: Give me the page.

CLERK: Mr. President, Senator Marsh presents a Committee on Committees report found on page 538 of the Legislative Journal.

SENATOR MARSH: Mr. Speaker and members of the Legislature, the Committee on Committees wishes to recommend for your confirmation vote the following names: Hubert W. Monsky, to the Motor Vehicle Industry Licensing Board; John M. Gradwohl, Court of Industrial Relations; Max E. Kiburz, Advisory Committee to the Department of Economic Development; Hans O. Jensen, Board of Educational Lands and Funds; A. T. Hinds, Crime Victims Reparation Board; George Rebensdorf, Board of Trustees of State Colleges; and Keith Kemper, Board of Trustees of State Colleges.

SPEAKER MARVEL: Do you want to make a motion to take them all up at once?

SENATOR MARSH: I move that these names be considered on one vote.

SPEAKER MARVEL: That is on page, what, 834? 53....

SENATOR MARSH: 538.

SPEAKER MARVEL: 538. The motion and the second is to adopt the Committee on Committees report. Is there any further discussion? Senator Keyes.

SENATOR KEYES: Mr. Speaker, just before we vote on it why don't you just read off the names to see if there is anybody that anyone objects to. I don't have my glasses so I can't read today.
