

March 14, 1979

LB 112

industry in this state and I don't think that we ought to pass an increase before we understand totally the impact on the roads and the cost that it involves to the taxpayers of the State of Nebraska. So I am going to vote against the bill even though I know that there might be some very meritorious attributes to it.

SPEAKER MARVEL: Senator Kremer, your motion is to advance the bill to E & R for engrossment, is that right?

SENATOR KREMER: This is true, Mr. Speaker, and in so doing I would like to speak to the statement made by Senator Wesely, if I may, before I make that question.

SPEAKER MARVEL: Okay.

SENATOR KREMER: Senator Wesely, I would invite you to check with the Department of Motor Vehicles, check with Mr. Jim Preston that represents the trucking industry, and I said it before, this is not a trucking industry bill and he will tell you that. In fact, they want no part in it really. But I invite you to check with the Department of Motor Vehicles and see if I am not right when I say we do not increase the axle weight one pound.

SPEAKER MARVEL: Senator Chambers, do you wish to be recognized? Your light is on.

SENATOR CHAMBERS: Mr. Chairman, I just want to say that I still, Senator Kremer, cannot support the bill and I was offering the amendment as a protection, I thought, but in view of the assurances you and Senator Vickers have given me, there is no need in me offering that amendment but I can't support the bill either because I still have questions in my mind. However, as I stated, I am only one vote and we know that this bill is going to go so I am not even going to debate much more of it but, Senator Wesely, as you get any information, I would like you to share it with me if you will. Thank you.

SPEAKER MARVEL: Senator Kremer, are you ready to move the bill? Okay.

SENATOR KREMER: Mr. Chairman, I move that LB 112 be advanced to E & R for engrossment.

SPEAKER MARVEL: The motion is to advance LB 112 to E & R for engrossment. All those in favor vote aye, opposed vote no. A machine vote has been requested. The motion is to advance
