postpone LB 495. That will properly lay the bill over.

SPEAKER MARVEL: I wish to make two or three introductions,
and then we'll go back to the file. These schools have
left, but I will read them into the record. From Senator
Lamb's district, Mr. and Mrs. Glen Ritchie, Mr. and Mrs.
Wayne Loy from Berwyn, Nebraska were underneath the south
balcony, and there were several upper grade students in
the balcony itself. From Senator Keyes' district, 75
fourth grade students from Papillion School under the
direction of Carol Holfoot. They were in the north balcony,
and then it's my pleasure, underneath the south balcony,
to introduce Betsy Freeland from Omaha. Betsy, are you
still there? I'd like to say a word about her. She has
been...the rumor is that she's been recently awarded the
honor of being the most valuable Republican in Douglas
County, and the rumor also is that she was active in Senator
Hoagland's campaign, and just today has been appointed an
Admiral in the Nebraska Navy. We're happy to say hello to
you, and put in the record about the other students who
were here. Congratulations. Now, Senator Wesely, we're
back for Legislative Resolution 5.

SENATOR WESELY: I move the E & R amendment to LR 5.

SPEAKER MARVEL: All those in favor of that motion say aye.
Opposed no.
