LB 16

let your prayers have some impact. Put the unbelievers to flight this morning. Show that what you have has some value when time comes to put it into action and change the way the world functions. Jesus said you must be a doer of the word, not a hearer only and then he talked about being naked and you didn't clothe them, thirsty and you gave Him not to drink, imprisoned and you would not visit Him, hungry and you would not feed Him, and they said when did we see you in this situation? If we saw You and knew You were Jesus we would do this for you. He said you didn't do it to the least of my bretheren and who is His brother? Everybody created by God because all of you are His children and if Jesus was a human being He was a child of God and all of you are brothers and sisters. Show us something. I believe this tax is immoral and I think it ought to be eliminated.
