LB 152

General have amendments that we'll put on Select that straighten that problem out and help the bingo people and all that. So, Senator Marsh, this is a pickle card, and you can see it's just a...no, I'm not paying you any money Senator Keyes.

SPEAKER MARVEL: Okay...

SENATOR DeCAMP: It just is a physical thing for what a slot machine does.

SPEAKER MARVEL: Senator Fitzgerald, does this answer your question?

SENATOR FITZGERALD: Thank you, John, for this information on pickles, but I'd like to have a definite answer on the question I gave you on, this promotion takes...

SENATOR DeCAMP: Yes, that will be taken care of.

SENATOR FITZGERALD: I move the amendment. It isn't in the Committee amendment there that it's not taken care of... is this going to be the Johnson amendment that this will be taken care of?

SENATOR DeCAMP: Johnson is straightening it out so it can be.

SENATOR FITZGERALD: Then you can sell pickles...you can sell pickles at a bingo hall?

SENATOR DeCAMP: The proper people can, if the money goes to the proper place, yes.

SENATOR FITZGERALD: Then in other words, they can pay out salaries, they can pay out...

SENATOR DeCAMP: That will be taken care of separately with the pickle thing.

SENATOR FITZGERALD: Well I'll have to vote no until it has been taken care of in the bill.

SENATOR DeCAMP: Okay, fine, fine.

SPEAKER MARVEL: Senator Labedz, do you wish to speak to the Committee amendments?

SENATOR LABEDZ: No, to the bill.
