

it says that the commission shall provide for the salary. Now the commission does not provide for the salary. It recommends and the Legislature confirms. So I would like to make that change. Secondly, it ignores entirely the proposition that that commission will provide for allowable expenses. I would like them to know that when they vote for that amendment they are voting to allow that commission to provide for expenses. We are leaving out a very important facet of this amendment. That is the sum and substance of what is contained in that amendment and I move its adoption.

SPEAKER MARVEL: Senator Haberman, do you wish to speak to the Murphy amendment?

SENATOR HABERMAN: Would you like to lift the Call first? Did you lift the Call?

SPEAKER MARVEL: No, we are still under Call. Do you want to raise the Call? Okay, the Call is raised. Senator Newell, do you wish to speak to the, Senator Cullan do you wish to speak to the Murphy amendment? Senator Hefner, do you wish to speak to the amendment? Okay, the motion is on the Murphy amendment to the committee amendments to LB 99. All those in favor vote aye, those opposed vote no. Record.

CLERK: 26 ayes, no nays, Mr. President.

SPEAKER MARVEL: Motion is carried, the amendment is adopted. You have one other amendment, Mr. Clerk?

CLERK: Yes sir. Senator Lamb now moves to amend (read Lamb amendment).

SPEAKER MARVEL: Senator Lamb.

SENATOR LAMB: Mr. President, members of the Legislature, I offer this amendment because this is a suggestion that some people have made. I think that we should determine whether or not you think it has validity. For most of us serving in the Legislature costs more than \$4,800 a year. So I am proposing this amendment on these basis. (1) That it would be acceptable to the voters and the other thing by having a expenses rather than salaries. It will resolve in a net increase to the Legislature as far as salary...renumeration is concerned. Of course as everyone knows the problem in the last number of years has been that the voters are reluctant to grant an increase in the salary. I think that this would be more acceptable to the voters when they see that there is no salary but the expenses would be offered.

SPEAKER MARVEL: Motion is on the Lamb amendment to the committee amendments. Senator George.
