going to want to see that those people return to my bar because if they come back night after night I am going to make money. Now if that person goes out and gets killed or slaughtered on the highway I am going to lose a customer. So it is in my best personal self-interest to see that that person comes back and any type of mechanism, any of type of device that would help insure that that customer returns is to my benefit. PRESIDENT: Motion fails. Proceed to the next motion on the desk, Mr. Clerk.

CLERK: Mr. President, the next amendments are offered by Senator Hoagland and Senator Dworak. Those amendments are on page 1633 of the Journal.

PRESIDENT: Senator Hoagland, are you going to ask for that duo or...? Okay, Senator Hoagland first then Senator Dworak.

SENATOR HOAGLAND: What we would like to do at this time, Mr. President, is pass over this amendment and consider others that are on the desk.
