LB 525

SENATOR SIECK: No, they did not.

SENATOR NICHOL: I wanted to alert you, Senator Sieck, that there is something. I don't know whether they want to present them but I just wanted you to know about it.

SENATOR SIECK: Okay, thank you.

PRESIDENT: All right, the question then is, shall LB 525 be advanced to E & R for engrossment? All those in favor signify by saying aye, opposed nay. LB 525 is advanced by a vote of three to one. Now the Speaker has asked that we waive Select File and go down to General File since the morning is half over. Yes, Senator Chambers, for what purpose do you rise?

SENATOR CHAMBERS: Mr. Chairman, I just want the record to be clear that what you said about advance by three to one was done...stated facetiously, that the necessary majority for advancement did vote.

PRESIDENT: I am not sure that it was said facetiously, Senator Chambers, and I will say it when I mean it facetiously. I will tell you so.

SENATOR CHAMBERS: Then I have made my point for the record and (interruption).

PRESIDENT: I said it passed and that is enough. I said it passed and that is enough. Thank you, Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, I challenge the Chair.

PRESIDENT: We will go on...it is already, the decision is made. There is no more challenge. I am not going to recognize you on the challenge.

SENATOR CHAMBER: The only time I can challenge is after you have made a decision.

PRESIDENT: We will proceed with General File, Senator Chambers, on LB 496.

SENATOR CHAMBERS: Mr. Chairman, Mr. Chairman.

PRESIDENT: Mr. Clerk, read LB 496 please.

SENATOR CHAMBERS: Mr. Chairman, I would like to address the Chair for the record.
