LR 203, 204

at Loup City, it gives me a great deal of pleasure to present this resolution to the Legislature and I would encourage your support on behalf of the Moellers at Loup City and here today when we introduce Nancy (Moeller) Smith who is a daughter of the Moellers at Loup City as well as Allan. I encourage the support and the passage of this resolution.

PRESIDENT: The Chair recognizes Senator Lewis.

SENATOR LEWIS: Mr. President, members of the Legislature, I know without question the sincere concern of the members of this Legislature for those that are incarcerated illegally in Iran. It is very near and dear to the people in Bellevue in the fact that one of our young men is in that position. I rise to support Senator Wagner's efforts to make sure that there is a visual display of our genuine concern for the immediate and forthright release of those that are illegally held by the terrorists in Iran.

PRESIDENT: Any further discussion on LR 204? Hearing none, Senator Wagner, will that constitute your close then or do you want to say another word in closing?

SENATOR WAGNER: I would just encourage the support of this resolution and again, wear the yellow ribbons. It gives the Moellers of Loup City a great deal of support and encouragement.

PRESIDENT: All right, the question before the House is the adoption of LR 204. All those in favor vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 31 ayes, 0 nays, Mr. President, on the adoption of the resolution.

PRESIDENT: The motion passes and LR 204 is adopted and if somebody brings me a yellow ribbon I will wear it. Okay, let's go on to...Senator Venditte is here now. We will back up and take LR 203, Mr. Clerk.

CLERK: Mr. President, LR 203 was introduced by Senator Venditte. It is found on page 850 of the Journal. (Read LR 203.) Again, Mr. President, it is found on page 850 of the Journal.

PRESIDENT: The Chair recognizes Senator Venditte.

SENATOR VENDITTE: Mr. Chairman, members of the Legislature, I will be very brief. I think the resolution speaks for
