LB 849

and I feel that under this case, Senator Chambers, they would be qualified to give and they do help with athletic physicals at the high schools so they are qualified people.

SENATOR CHAMBERS: Senator Haberman, are they diagnosticians in your area?

SENATOR HABERMAN: Yes.

SENATOR CHAMBERS: They diagnose ailments?

SENATOR HABERMAN: Yes.

SENATOR CHAMBERS: Do they prescribe medication?

SENATOR HABERMAN: Yes.

SENATOR CHAMBERS: Are they doctors?

SENATOR HABERMAN: No.

SENATOR CHAMBERS: Thank you, Senator Haberman. I am in favor of Senator Newell's amendment, I meant, Senator Simon's amendment, and Senator Haberman has raised some areas that I have to look into.

PRESIDENT: The Chair recognizes Senator Haberman and then Senator Vickers.

SENATOR HABERMAN: There seems to be some questions as to whether a physician's assistant can diagnose or not and he can and he can refer as long as he is underneath the supervision of a medical physician and this means by telephone he can operate or not operate but he can work at a satellite station as far as twenty-five or thirty miles away from the regular physician's office and I feel that in my opinion a physician's assistant would be fully qualified to be at the ringside and to decide whether the fight should go on or should not go on and, therefore, I would have to oppose Senator Simon's amendment.

PRESIDENT: The Chair recognizes Senator Vickers.

SENATOR VICKERS: Mr. President and members, I rise in opposition of Senator Simon's amendment for some of the same reasons that Senator Haberman was pointing out, that I think one of the points that need to be made, and I
