type units. So....I say condominium type because that is not exactly what they are, Chris, and to explain what they are exactly would probably take more time and more energy than anybody cares about. But I don't think that the amount of dollars that we are talking about here are substantial, and with that I support the Beutler amendment.

SPEAKER MARVEL: Senator Lamb. Senator Wesely. If you will designate as your name is called who you want to.... which series of amendments you would like to speak to, the Chair would appreciate it.
