LB 361

maybe try and put in a district election bill, City of Omaha, just something that comes to mind, or whatever else might strike the fancy. I honestly don't want to give those individuals that attempt. I think they have had the opportunity to do it. There is nothing left in 361 of any substance. I see no reason to take up the time of this body. We have many, many bills of much more substance and importance to deal with. Therefore, I would move to suspend the rules and take up the kill motion at this time.

SPEAKER MARVEL: Senator Kahle, do you wish to speak to the Simon motion?

SENATOR KAHLE: Yes, I do. I have a motion up there and it is not going to come up right away because there is others before it that would delete all of the bill except the rural transportation sections, and I would hope I could get some support for that.

SPEAKER MARVEL: The motion is the Simon motion to suspend the rules. Senator Keyes. I can't....with some of you I can't tell whether you want to speak or not because you leave your lights on.

SENATOR KEYES: Well, I wish to speak on and inform my good friend, Senator Simon, that he is...not always, but once in a while he gets a little mistaken and he is a little shook up. 704 is in 361 and what we would like to do is keep 361 alive and take the gas tax out of it and leave 704 which is complete, which is mass transportation, for rural Nebraska and urban Nebraska, and it will be a good bill and that is why I oppose a kill motion...suspension of the rules to kill it. I oppose that.

SPEAKER MARVEL: Senator Dworak, do you wish to speak on the Simon motion?

SENATOR DWORAK: I call the question, Mr. President.

SPEAKER MARVEL: The question has been called for. Do I see five seconds? Okay. Shall debate cease? All those in favor vote aye, opposed vote no. Yes, shall debate cease is the issue. Record.

CLERK: 25 ayes, 3 nays to cease debate, Mr. President.

SPEAKER MARVEL: Okay, debate ceases. Senator Simon, do you want to close?

SENATOR SIMON: Just be very brief, Mr. President. I believe
