Board of the Legislative Council as outlined in 50-41.01.

PRESIDENT: The motion is to proceed to the nominations of the other members of the Executive Board which involves the three districts, and the sheets have been handed out to you so that if you want to double check which district we will have two caucuses this morning, one on the Executive Board, the other one on Committee on Committees. The first one will involve this one and there will be the three districts. So the motion before the House is proceeding with the nominations for the other members of the Executive Board and for the holding of these caucuses. All those in favor signify by saying aye, opposed nay. All right, the motion carries and we are ready then to caucus by the three districts which are on the sheets. Will the 1st District meet over here on the north side under the balcony. You are going to have to just kind of, there is an opening down here on the other side of this Channel 6 camera, if you can just meet in there. That will be the 1st District. The 2nd District somewhere down in the southeast end of the other side by the table over here on the southeast end under the balcony, and the other one over there in the southwest. That will be the 3rd District on the southwest. So the 3rd District on the southwest, the 2nd District the southeast, and the 1st District over here on the north side. The Legislature will proceed to caucus. Senator Koch, yes. The Chair recognizes Senator Koch.

SENATOR KOCH: Mr. President, it is my understanding that the various districts have caucused and have selected these people, and if I am correct then I would place for your consideration from the 1st District the names for the Executive Committee.

PRESIDENT: Senator Koch, just for the purposes of the day because it must be done in Session as far as the caucusing goes, if you would meet at least in the caucus and then you can report right directly to the Clerk. Would each of you report, as soon as your caucus is finished report to the Clerk. Bring the reports up as soon as you have them ready, to the Clerk's desk. We have the 1st District. Are the other two districts ready to report? Bring it up to the Clerk, if you would, please. The 3rd District is ready to report. 2nd District ready? We still need the report from the 2nd District and we will be ready to go. We have the report from the 2nd District and the Clerk will be ready to report and we will be ready to vote on this matter. We have got the 2nd but we don't have the 1st, I guess. It is the 1st that we don't have. Everyone will then return to your desks because we will have a motion.
