PRESIDENT: The Chair recognizes Speaker Marvel.

SPEAKER MARVEL: Before I make the motion to adjourn I would like to remind the Legislature that this is a good time today and especially tomorrow when we are using up legislative days to get bills in so I would encourage you to get as many bills in as possible today and also tomorrow. Anything that you can do along those lines will speed up the process and we will need that day or two days at the end of the session. This is a good time to start meeting those deadlines so that we do have some time left over. So, Mr. President, with those remarks I move that we adjourn until nine-thirty tomorrow.

PRESIDENT: ...just a moment, before we take that... Senator Kremer, I think, has an announcement. The Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman, I am calling a meeting of the Public Works Committee immediately upon adjournment for organizational purposes.

PRESIDENT: All right, so the motion of Speaker Marvel is to adjourn until nine-thirty tomorrow morning. All those in favor signify by saying aye, opposed nay. We are adjourned.
