CLERK: Mr. President, the Public Works Committee. his report is found on page 642 and it involves individuals appointed to the Board of Public Roads Classifications and Standards and the Motor Vehicle Industry Licensing Board.

SENATOR KREMER: Mr. Chairman, may I ask a question? There are seven appointees we are dealing with here. Do you want to take them as a group or do you want to take them one at a time. There are seven. I would tell you that they were unanimously approved by the Public Works Committee. I will name them. If there is a question about any one of them, we have their resume here and I will give it to you. However, unless there is a request, I think that I will take the entire group, and if there is a question on any one, we will go back and review the resume. Is that okay?

SPEAKER MARVEL: Yes, you are going to make a motion that covers the entire group?

SENATOR KREMER: Yes, sir, if that is all right.

SPEAKER MARVEL: That is fine.

SENATOR KREMER: I will name them. To the Board of Public Roads Classifications and Standards we have these and they have been unanimously approved by the committee: Diane Gless, Tom Harvat, Ray Lind, William Lindholm, D. J. Erlington, R. Doyle Hanson, and Don Swing. Unless there is questions, I will move that the Legislature approve the appointment of these men and women.

SPEAKER MARVEL: The motion is made by Senator Kremer. All those in favor of his motion vote aye, opposed vote no. Record the vote.

CLERK: 33 ayes, 0 nays on approval of the report, Mr. President.

SPEAKER MARVEL: Motion is carried. The next, excuse me, Senator Kremer.

SENATOR KREMER: There is another group by the Public Works Committee.

SPEAKER MARVEL: Okay, fine.

SENATOR KREMER: Motor Vehicle Industry Licensing Board, and again, Mr. Chairman, there are three. I will name them again, and they also got the unanimous vote of those that were present in the committee the day that we had them before
