

March 30, 1981

I move to approve the three new appointments to the Nebraska Arts Council. At the present time there are fifteen members on this council and they serve for a period of three years. It was unanimously voted by the Miscellaneous Subjects Committee to approve all three of these. The first one is Mr. Davis, Dr. Davis. He lives in Omaha, is married, has two children, been very active in civic affairs. He is the manager of the General Administration of the Northern Plains Natural Gas Company and before that he was Junior High Principal in the Omaha Public Schools. The second appointment is Mrs. Lois Roskens who is the wife of Ron Roskens, the President of the University of Nebraska. She is the mother of four children, very active in volunteer community work and a housewife. The third one, Jeanne Smith, is a resident of Gordan, Nebraska. She is married and has four children and used to be a teacher in several schools around and is now a housewife, and so I would strongly recommend all three of these to the Nebraska Arts Council.

PRESIDENT: Any discussion on Senator Hefner's report for the Miscellaneous Subjects Committee? Hearing none, then, Senator Hefner, we will just proceed with the adoption...approval of the report which you have moved.

SENATOR HEFNER: I move for the adoption of the approval of the report.

PRESIDENT: Motion then is to approve and adopt the report. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 31 ayes, 0 nays, Mr. President, on adoption of the Miscellaneous Subjects Committee report.

PRESIDENT: Motion carries and the Miscellaneous Subjects Committee report is adopted. Next report on gubernatorial appointments is by the Government, Military and Veterans Affairs Committee. The Chair recognizes Senator Kahle.

SENATOR KAHLE: Mr. President, members, we just have one appointment from the Government, Veterans and Military Affairs Committee and this is to the State Personnel Board, a Betty J. Majors. Mrs. Majors lives at Osceola, Nebraska, has had a lot of background in education and in recent years has been active in a number of organizations including the WIFE organizations, Women in Farm Economics, and I have known Mrs. Majors for a number of years and I strongly support her in this new endeavor and hope that you will certainly lend your support to her appointment. Thank you very much.
