in many cases. Judges don't want to be bothered with it,
but they can do it. The good thing between these two
situations is this. In pretrial diversion, no record.
No first of drunk driving is kept a record of. On the
other hand when the judge finds you guilty and has you
do things there is a record, you are charged with drunk
driving, you are found guilty and it is on the record.
So, the next time you come up, it is number two instead
of number one again. If you go through this in Sarpy
County and should come to another place where they
exercise pretrial diversion on drunk driving you are
up again for number one. You are not up for number two.
Now the conversation has been here tonight that we will
keep a record in the Department of Motor Vehicles. They
keep a record there of drunk driving and drunk drivers
drivers license, what happens? They forget, they don't
do it, they don't pick up drunk drivers license, this is
not a dependable place to keep a record. Secondly, it
was pointed out a little while ago there is no charge,
there is no guilty plea, there is no finding of a drunk
driving charge. There is no record to keep. So, I sub-
mit to you, support this amendment. Do away with this
big loophole and have a drunk driving bill that means
something. Sure, we have adequate laws now, but we are
not doing it. So what we are attempting to do is say to
the judges do this and we mean it.

SENATOR LA B: You have one minute, Senator.

SENATOR NICHOL: That will be fine. I urge you to support
this amendment.

SENATOR LAMB: Senator Labedz.

SENATOR LABEDZ: I call the question.

SENATOR LAMB: The question has been called. Do I see five
hands? I see five hands. Those in support of ceasing
debate vote yes, those opposed vote no.

CLERK: Senator Lamb voting yes.

SENATOR LAMB: Have you all voted? The motion is to cease
debate. Have you all voted? Motion is to cease debate.
Have you all voted? Record.

CLERK: 19 ayes, 13 nays.

SENATOR LAMB: Call of the House has been requested. Those
in favor vote yes, those opposed vote no. Well I believe
