SPEAKER NICHOL: State your point, please.

SENATOR HABERMAN: Mr. President, members of the body, on April the 13th during the debate on 343 I made reference to an agreement between Nebraska Cooperative Council President, Robert Anderson, and the other parties involved. I alleged an understanding had been reached and somebody changed their mind. I would like to put into the record that Mr. Anderson did not break his word or change his mind. There was at least three agreements made and signed by one side or the other and all the parties did not sign any of them. Therefore, I wish the record to show if I left the wrong impression pertaining to the integrity of Mr. Anderson on this body or anyone outside of this body, I hereby apologize and am sorry the incident happened. Thank you, Mr. President.

SPEAKER NICHOL: Senator Withem.

SENATOR WITHEM: Mr. Chairman, I would like to move that we recess until one-thirty this afternoon.

SPEAKER NICHOL: All those in favor say aye, opposed nay. We are adjourned.
