with people sitting under the balconies and doing some lobbying while they are present just off the floor. This Legislative Chamber is not the place for that sort of activity and I, personally, have removed people from under the balconies when I knew that that was taking place. PRESIDENT: Okay, the question is the adoption of the Lamb amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of Senator Lamb's amendment to the Rules Committee amendment.
