

January 10, 1989      LB 9, 10, 11

PRESIDENT: LB 9 advances. LB 10, please.

CLERK: Mr. President, LB 10, offered by Senator Labeledz as Chair of the Board. (Read title.) Introduced on January 5, referred directly to General File.

PRESIDENT: Senator Labeledz, please.

SENATOR LABEDZ: Thank you, Mr. President. This bill would transfer two sections which create a Nebraska Agricultural Products Research Fund from Chapter 2, Agriculture, to Chapter 81, Article XII, dealing with the Department of Economic Development. It also eliminates language that has been transferred to another section. I urge you to advance LB 10 to E & R Initial.

PRESIDENT: Senator Lamb, please.

SENATOR LAMB: Mr. President and members, Senator Labeledz, could I ask a question, please. There was a report in the paper that this did something substantial. I have talked to Joanne Pepperl, she has convinced me that it does not do anything other than transfer language from one section to another, and it does not do anything that should not be in a revisor's bill. Is that correct?

SENATOR LABEDZ: That's correct, Senator Lamb.

SENATOR LAMB: Thank you.

SENATOR LABEDZ: Thank you.

PRESIDENT: The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of LB 10.

PRESIDENT: LB 10 advances. LB 11.

CLERK: Mr. President, LB 11, offered by Senator Labeledz as Chair of the Board. (Read title.)
