LB 113, 171, 172

power districts to make the investments in the satellite television industry. So this, again, just lets them go into the area where they are into now. It does not expand it. It just is a very clean bill, I think. But what I passed out would explain what we're trying to really do here. If there is any questions, I would be glad to answer them.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 33 ayes, 0 nays, Mr. President, on the advancement of LB 113.

PRESIDENT: LB 113 advances to E & R Initial. LB 171.

CLERK: Mr. President, 171 offered by Senator Schmit. (Read title.) The bill was introduced on January 5, referred to Natural Resources, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Lamb, please.

SENATOR LAMB: Mr. President and members, Senator Schmit has asked me to carry this bill today. This is a very simple bill which merely prohibits spotlighting from boats. It is supported by the Game and Parks Commission. There was no opposition at the hearing and there are no amendments. So I would move the advancement of LB 171, Mr. Chairman.
