CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of Senator Korshoj's amendment.

PRESIDENT: The amendment is adopted. Now to the bill, Senator Korshoj, please.

SENATOR KORSHOJ: Mr. President and members, all this bill actually does is adds where you can get your list for jury duty. The way the law reads now you would have to get it once a year from Motor Vehicles Division and that would be free in December. And if you get it any other time during the year, you would have to pay for it. And there are several courthouses that have that same information in the treasurer's office and Washington County happens to be one of them. So it would make it much less expensive and you could get your jury list up to date any time of the year. My aide just handed me a note from Charlene Marchand, Clerk of the Court of Sarpy County, and she is very much for it because they also have that information in their courthouse. She says the jury pool is exhausted in other months while the DMV only provides the list at no cost once a year in December. To obtain other lists, the jury commissioners must pay the DMV. This bill would provide another source of eligible jurors at minimal cost from the county treasurer. And she did ask for the emergency clause also. But we do not change the Division of Motor Vehicles, you can still get it there, but this just gives another source. And the bill just says "and or" and then your county treasurer. And it's no cost to the state and it would probably be saving to the counties that have that information in the treasurer's office. I ask that you advance that bill. Thank you.

PRESIDENT: Thank you. The question is the advancement to E & R Initial of LB 82. All those in favor vote aye, opposed nay. Help. Thank you. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 82.
