

at that, I...I'm very pleased to bring this resolution to the body. Elgin is in my district and has been the home of many, many fine leaders of our state. Some of the people who have come from Elgin are former Governor Val Peterson. He had been a superintendent of schools at Elgin; Mr. Louis Lehr who rose to the chairman of the...or Chief Executive Officer of 3M Company in Minneapolis and Senator Bill Wylie who many of you know, his father, Matt Wylie, his mother all had been senators in this body. I think it is only fitting that we go ahead and honor this community on their centennial and I urge that we vote the resolution and send this copy to the city council in Elgin. Thank you.

PRESIDENT: Thank you. Senator Hartnett, please.

SENATOR HARTNETT: Mr. President and members of the body, I simply stand here to also recognize Elgin because when I was a young man and starting out on my teaching career, the first game of six-man football I ever saw in my life, I was one of the coaches and I was playing against Elgin and we won the game not because of the great coaching ability, but we won the game and we beat Elgin so I want to...I remember that yet to this day, so it was a very poignant moment in my life, so thank you. The score was 19 to 18.

PRESIDENT: Senator Hartnett, is that the one where you played eight man and the other team had six men?

SENATOR HARTNETT: No, we were both...that was my first game that I have ever saw a six-man football game in my life and I was one of the coaches.

PRESIDENT: Okay, thank you. Senator Schimek, please.

SENATOR SCHIMEK: Mr. Chairman and members of the body, I would be remiss, I'm sure, if I did not stand in support of this motion because my husband's father grew up in Elgin, so I would recommend passage of this resolution.

PRESIDENT: Thank you. The question is the adoption of the Dierks' motion. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk, please.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption of LR 22.
