SENATOR HANNIBAL: If you read on just a little further, along that same sentence, it says, for the purpose of sale or delivery of such form.

SENATOR BERNARD-STEVENS: Okay, so purchase is not included then?

SENATOR HANNIBAL: This is...this is not dealing with purchase of alcohol, this is dealing with sale or delivery of that identification.

SENATOR BERNARD-STEVENS: Okay, thank you, Senator Hannibal. Thank you, Mr. President.

SENATOR LABEDZ: Thank you, Senator. Senator Hannibal, there are no further lights, would you like to close on LB 440.

SENATOR HANNIBAL: Very briefly, Madam Chair. The concerns that were brought up at committee, by Senator Hall and now on the floor by Senator Bernard-Stevens, are very, very accurate concerns and some that I share. I am not interested in passing laws that increase penalties just for the purpose of trying to go out and wave our hand and say we did great things. I'm not interested in passing laws that increase the penalty for certain crimes that really don't have any effect and just become flag waving. I am convinced that this particular change in statute that will increase this penalty will allow and encourage and, as a matter of fact, we have been given assurance that actually it will happen, the law enforcement officials will more aggressively pursue these individuals and try to cut down on the proliferation of false ID that has become, indeed as Senator Hall pointed out, in some cases a very profitable business. We're aimed at that person, that person only. We aren't changing the laws dealing with the relatively...relative innocence of a minor who happens to have one in their possession. That's a different issue, we're not dealing with that. We are trying to go at the person who is actually manufacturing, distributing this for a profit. I would move the advancement of LB 440.

SENATOR LABEDZ: Thank you, Senator Hannibal. Senator Hannibal was closing on the advancement of LB 440. All those in favor of advancement vote aye, opposed nay. Have you all voted? Please
