

of the standards of this bill, they may do it under certain conditions. And really what we're thinking about is if the President of the United States comes to Nebraska, as he does from time to time, that perhaps those standards should be waived for security purposes, and allow the President not to be in violation of the law if he wants to have dark windows on his limousine. The other exemption has to do with funeral coaches, it would allow dark suncreening in funeral coaches. I would ask that the committee amendments be adopted.

SPEAKER BARRETT: Thank you. Amendment on the desk.

ASSISTANT CLERK: Mr. President, I do have an amendment to the committee amendments from Senator Wehrbein. It's found on page 656 of the Journal.

SPEAKER BARRETT: Senator Rogers, will you handle the amendment, please.

SENATOR ROGERS: Yes, Mr. Speaker and members. It's a very simple amendment. If you don't have your book open, I'll just read it. On page 1, line 5, after "security" insert "or for medical reasons based on an affidavit signed by a licensed physician". It seems as though Senator Wehrbein has a constituent that was in a bad...anhydrous, or some sort of a bad, bad burn, and he cannot stand sunlight, so that is where this amendment come from. I move for its adoption.

SPEAKER BARRETT: Thank you. Discussion on the amendment to the committee amendments? I have two lights. Senator Hall. On the bill, thank you. Senator Lamb.

SENATOR LAMB: Mr. President, members, I support the amendment that Senator Wehrbein is suggesting. I think it is logical that in some cases there may be a medical problem that direct sunlight would have an adverse effect on the individual in the car, and that medical exemption should be allowed.

SPEAKER BARRETT: Thank you. Senator Moore. Thank you. Any other discussion on the amendment to the amendment? Anything further, Senator Rogers?

SENATOR ROGERS: No, move for the adoption.

SPEAKER BARRETT: Thank you. Those in favor of the adoption of
