LR 28

SENATOR CHAMBERS: (Laugh.) All right.

PRESIDENT: Saved by the bell. Senator Warner, would you like to close on your resolution?

SENATOR WARNER: Well, Mr. President, members of the Legislature, Senator Scofield just handed me an article where the New York Times is in support of a 50 cent per gallon gas tax. So it could get pretty high. Again, the purpose of the resolution solely is one of expressing concern of placing this responsibility on one... Give you an idea of the impact on Nebraskans as opposed to other sources of revenue that might be available to reduce the federal deficit, according to the American Automobile Association, one of the charts that they put out indicated that an increase at the federal level of 9 cents, with a two house... a household with two wage earners and two... family of four could expect, on the average, in New York to cost \$293.28, on the average, per family, whereas in Nebraska it would be over... about 55 percent more per family, or \$460.54. That merely reflects the fact that in a sparsely populated state and with the heavy utilization of transportation and other fuel related expenses that... for much of our economy in this state that it can be a very major impact. And it seems unfair that that deficit be placed on such a smaller number of people, it ought to be shared on a broader basis. So I'd urge the resolution be adopted.

PRESIDENT: Thank you. The question is the adoption of the resolution. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk, please.

CLERK: 35 ayes, 0 nays, Mr. President, on adoption of LR 28.
