upon the institution who ought to provide to whomever requests that establish relative or tribe, but because of that it virtually means that their entire amount of material they have would have to be itemized and identified and I think we ought to stay with at least those areas that we have fairly good knowledge as to what is being affected.

SPEAKER BARRETT: Thank you. The question before the body is the adoption of the Warner amendment to LB 340. Those in favor vote aye, opposed nay. Voting on the Warner amendment. Have you all voted? Have you all voted? Have you all voted if you'd care to vote? Record.

SPEAKER BARRETT: Thank you. Any other discussion? If not,
