LB 487A, 487

300,000 but there obviously is no reduction next year because from this point forward those two months are tied on the other end. Right?

SENATOR WITHEM: Right, right.

SENATOR LANDIS: Thank you, Senator Warner. Senator Schellpeper, our last light.

SENATOR SCHELLPEPER: Thank you. I also have a question for Senator Withem. Would it help if the schools would all start after Labor Day? Wouldn't that make it a lot more simpler here for this bill?

SENATOR WITHEM: I think that's a very convenient nontechnical Select File amendment that could be offered to this bill.

SENATOR SCHELLPEPER: Thank you.

SENATOR LANDIS: Senator Schellpeper's time has been used so we'll move to Senator Withem, since there are no lights on, to close. Senator Withem. I think that's a waiving off of the closing. We'll proceed to a vote to advance LB 487. Those in favor vote aye, those opposed vote no. The Clerk will record.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill, Mr. President.

SENATOR LANDIS: Thank you, Mr. Clerk, and now the A bill, Mr. Clerk.

ASSISTANT CLERK: Mr. President, LB 487A was introduced by Senator Withem. (Title read.)

SENATOR LANDIS: Senator Withem.

SENATOR WITHEM: This bill appropriates the \$300,000 figure that I alluded to in the explanation of the bill. That is the only change that it makes. I think Senator Schellpeper is going to be offering a \$40 million amendment for state aid to education on this, but we'll deal with that when he brings it up.

SENATOR LANDIS: Thank you. The question is the advancement of LB 487A. Those in favor vote aye, those opposed vote no. The Clerk will record.
