SPEAKER BARRETT: Any announcements, messages, or reports?

CLERK: Just one item and that is the Education Committee will meet in Executive Session today in Room...in the Senate Lounge, excuse me, at ten-fifteen; Education Committee, Senate Lounge at ten-fifteen, Mr. President. That is all that I have.

SPEAKER BARRETT: Thank you. (Gavel.) Two or three very quick announcements, ladies and gentlemen, on our agenda today. Item 7, you will notice we refer to committee priority bills. These are senator priority bills under item 7 on today's agenda. Item 8 on today's agenda announced at 1:30 p.m., we will roll over that particular item and we will address it probably tomorrow as opposed to today; and, finally, on General File, item 9, we will roll over LB 588 today and address it within the next two or three days, hopefully. We will not address 588 today. Those are the changes on today's agenda which you should be aware of. Also a very brief announcement, the activities on Wednesday morning here in this Chamber will begin at 9:00 a.m. It is my hope that we are all present and accounted for at nine o'clock on Wednesday morning. Any questions or any comments? If not, Mr. Clerk, moving quickly to item 6 on the agenda, special order, LB 781.

CLERK: Mr. President.
