LB 84, 95, 468, 651

PRESIDENT: Senator Abboud.

SENATOR ABOUD: Question

PRESIDENT: The question has been called. Do I see five hands? Yup, sure do. The question is, shall debate cease? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, to cease debate.

PRESIDENT: Debate has ceased. Senator Hall, would you like to close on the advancement?

SENATOR HALL: Thank you, Mr. President, just briefly, LB 651 in my opinion is a clarification of the statutes. With the committee amendments, it protects all those involved but the bill as well as the statutes deal with aid to students. Whether those be students in a public or a private institution, they are students. They are students that are looking for an education and the ability to achieve some financial support in that process. It is not a threat to anyone and it's not a threat to anyone I guess unless they think that education in one institution is a threat to students who choose to seek their education in a different institution. I don't think education is a threat to anyone. I would urge the body to advance LB 651 to Select File, knowing full well that should LB 468 not come up on General File discussion, that we will fully discuss the merits of both sides of this issue on Select File at that time. Thank you, Mr. President.

PRESIDENT: Thank you. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of LB 651.

PRESIDENT: The bill is advanced. Mr. Clerk, something for the record.

CLERK: Mr. President, Senators Hall, Chizak and Moore have amendments to be printed to LB 84, and Senator Landis, amendments to LB 95. (See page 1540 of the Legislative Journal.) That is all that I have, Mr. President.
