I move that we adopt this resolution.

SPEAKER BARRETT: Thank you, sir. Is there discussion on the adoption of the resolution offered by Senator Weihing? If not, those in favor of its adoption please vote aye, opposed nay. Record, please.

CLERK: 29 ayes, 0 nays, Mr. President, on adoption of LR 77.

SPEAKER BARRETT: The resolution is adopted. Senator Kristensen, for what purpose do you rise?

SENATOR KRISTENSEN: Point of personal privilege.

SPEAKER BARRETT: Only because the question or the request takes precedence, do I recognize you. State your point.

SENATOR KRISTENSEN: Thank you. Oftentimes on the floor of the Legislature in the heat of debate we say things that we really don't mean. And sometime, in the course of human events, the Speaker says things that he doesn't mean, and yesterday he made some reference to the Senators' basketball team of which offended most of the integrity of this body and I was wondering if the Speaker, after a full night's reflection, had decided to retract those statements and strike them from the record?
