

they take a look at their own methods whereby, as Senator Lamb points out, they pit neighbor against neighbor on the bonus bidding, they take a look very seriously at their own management fees, their management expenses, which I think may be just a little bit greater than any professional manager would charge the school children of this state. I think we've raised a number of issues. We're going to be helped, somewhat perhaps, along that same line with a court decision in the future.
