LB 813

the state celebration, Nebraskaland Days. So, basically, what is being worked out at this particular time this year is the 20-year lease with the state having maintenance. Right now the state doesn't have the money to do the maintenance, the proper maintenance of sandblasting and painting in some of the rusted areas of the arena, and we are requesting that it be done. There are no Cash Funds available to get this accomplished, to my knowledge. And it is something that is worthwhile; as a greenhouse and a pharmacy building might imply, it is something that also needs to be done. And I urge the body to support the amendment.

SPEAKER BARRETT: Thank you. The question is the adoption of the Bernard-Stevens amendment to LB 813. Those in favor vote aye, opposed nay. Have you all voted? Please record.

CLERK: 8 ayes, 18 nays, Mr. President, on adoption of the amendment.

SPEAKER BARRETT: Motion fails. Senator Lamb has a very special guest or two under the north balcony, his daughter-in-law, Donnabell, and grandson, Rodney. Would you folks please stand. Thank you, we're glad to have you back with us again. Mr. Clerk.

CLERK: Mr. President, Senator Bernard-Stevens would move to amend. Senator, this is your field offices for the Department of Economic Development amendment.

SPEAKER BARRETT: Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Mr. President, I think I'll skip over that amendment temporarily.

SPEAKER BARRETT: So ordered.

CLERK: Mr. President, Senator Withem would move to amend the bill.

SPEAKER BARRETT: Senator Withem.

CLERK: Senator, your amendment is on page 1942 of the Journal. It's the amendment on school reorganization survey, Senator.

SPEAKER BARRETT: Senator Withem.
