LB 814

need to get it open, but I think somebody ought to know what that it is and how much it costs. That's all. If this bill wasn't introduced, the amendment by Korshoj and Hartnett, we probably wouldn't have had this interesting discussion. Whatever it takes, get it done, spend it. I guess if they can't tell us how it's going to be spent, that is none of our business. SPEAKER BARRETT: Thank you. The question is then, striking a specific line and inserting a word. Again, in terms of how you're to vote, if you want to delete as the motion suggests, vote yes. If you want to leave it as is, vote no. All in favor of the motion vote aye, opposed nay. Have you all voted? Record.

CLERK: 10 ayes, 20 nays, Mr. President, on adoption of the amendment as offered by Senators Hartnett and Korshoj.

SPEAKER BARRETT: Motion fails.

CLERK: Mr. President, the next amendment I have to the bill is
