LB 814

PRESIDENT: The amendment fails. Do you have any more, Mr. Clerk?

CLERK: Mr. President, Senator Hartnett would move to amend by striking Section 36.

PRESIDENT: Senator Hartnett, please.

SENATOR HARTNETT: Thirty-five, you mean?

CLERK: I don't have 35, Senator.

SENATOR HARTNETT: Okay. university programs, miscellaneous classrooms and lab improvement on all campuses, 350,000 General in 1989-90, and '90-91 350 General.

PRESIDENT: Senator Warner, please. Were you through, Senator Hartnett?

SENATOR HARTNETT: Yes.

PRESIDENT: Okay, Senator Warner, please.

SENATOR WARNER: Yes, Mr. President, members of the Legislature, in this particular area the total request was for \$1,600,000 and the level of recommendation contained in the appropriation bill is 700,000 at the rate of 350,000 each year. There is a substantial detail as to building renovation, each campus, which I can go through. Burnett Hall, first of the ones I will be dealing with, is at UN-L. Burnett Hall, I don't know if I should read all of the things, but Keim Hall, Avery Hall, this is by room numbers, Ferguson Hall, again Burnett Hall, Engineering Building, which also is at UN-O, but under the UN-L administration for engineering, old physics building at UN-O, Engineering Building and annex, Hamilton Hall, Hamilton Hall, Room 102, 104, I should mention that, Hamilton Hall 102, Military and Naval Science room, Avery Hall, Room 15, Nebraska Hall, Room W-183, 185, 196, Natural Resource Halls, Room 102, a couple of rooms in Plant Science that would be within the original request. At the Medical Center a room designated in Wittson Hall, four different rooms within Wittson Hall, and these include such things as remodeling fixed benches, new ceiling system, replacing floor tile, miscellaneous repair and maintenance such as that. The Eppley Center has a number of buildings included, south lab room, the College of Nursing has a
