LB 813

which in calculating the maintenance of effort that's how much we were short in what is appropriated in...

SENATOR HALL: This is...

SENATOR WARNER: ...Program 298, I think.

SENATOR HALL: This is in relation to the federal match dollars.

SENATOR WARNER: In relation to the federal match. It doesn't address any of the other issues that we'll deal with later, but this is just to get that figure correct.

SENATOR HALL: Thank you very much. Thank you, Mr. President.

SPEAKER BARRETT: Senator Warner, would you care to close? Thank you. The question is the adoption of the Warner amendment to LB 813. Those in favor vote aye, opposed nay. Record, please.

CLERK: 29 ayes, no nays, Mr. President, on adoption of the Warner amendment.

SPEAKER BARRETT: The amendment is adopted.

CLERK: Mr. President, Senator Warner would move to amend, and that amendment, Mr. President, is on page 2379. Senator, this is AM1855 I have in front of me.

SPEAKER BARRETT: Senator Warner, please.

SENATOR WARNER: Yeah, Mr. President, members of the Legislature, I refer this to Senator Wehrbein.

SPEAKER BARRETT: Senator Wehrbein, please.

SENATOR WEHRBEIN: Mr. Speaker and members, this is Amendment 1855, if you are following along, and I'm going to take a few minutes to explain this because it is a new program that was brought to us by the Nebraska Indian Community College. It's a program that has been going on up there since 1973, the American Indian Satellite Community College was organized in northeast Nebraska. And they have been, with campuses at Santee, Winnebago and Macy, they have been operating on federal funds since that particular time. This year, they came to us
