SENATOR HARTNETT: To me, it sounds like an excellent idea. Do they have building~ there, Senator Wehrbein, or is it...is it satellite? Is that...is that...

SENATOR WEHRBEIN: Yes.

SENATOR HARTNETT: ..what I understood you...?

SENATOR WEHRBEIN: It's my understanding they actually have three campuses. They have three campus sites. Central Office is located in Winnebago with two other coordinating campuses in Santee and Macy.

SENATOR HARTNETT: And they get their instruction by satellite? Is that what I heard you say or...?

SENATOR WEHRBEIN: No, I don't...

SENATOR HARTNETT: They have instructors there?

SENATOR WEHRBEIN: Yes. I can't tell you a lot about their structure.

SENATOR HARTNETT: Well, just when I was listening to you, to me it sounds like we should...something the Education Department or the Education Committee should look at, but it sounds like a good idea if they can...you know, especially if they can move on from....

SENATOR WEHRBEIN: They are branch campuses. That's probably where you got "satellite". But they are branch. They're not...their instruction is, I'm sure, on site.

SENATOR HARTNETT: Yeah. Thank you.

SPEAKER BARRETT: Senator Schimek.

SENATOR SCHIMEK: Mr. President, I call the question.

SPEAKER BARRETT: Thank you, that won't be necessary. Yours was the last light. Appreciate it. Senator Warner or Senator Wehrbein, would you like to close?

SENATOR WEHRBEIN: I would close and I don't think, unless there's questions, I won't say any more about it.
