in our seats.

SPEAKER BARRETT: Before I call for a machine vote, let me also suggest to you that I think this Legislature has done some exceptional work this week, and I mean exceptional. These have been very long, hard, tension-filled, pressure-packed days. This Legislature has been in session for 12 to 14 hours every day this week under these lights and, again, under some very difficult circumstances and I, for one, am proud to be associated with this body. Those in favor of adjourning until Monday morning at nine o'clock please vote aye, opposed nay. Record. Have you all voted? Thank you. Record, please.

CLERK: 24 ayes, 22 nays, to adjourn, Mr. President.

SPEAKER BARRETT: Thank you. We are adjourned. Thank you again and have a very restful weekend. You've earned it.
